Dear Parents

Integrated Education

Our school implements Integrated Education with a whole school approach to take care of the students with special educational needs. The Integrated Education Committee has been set up and works with the school social worker and psychologist to provide support for needy students and parents in the areas of academic study and social life in school.

To enable the school to have a better understanding about the needs of the students for related support services, please complete and return the reply slip to the Class-teachers on or before **Wednesday, September 6, 2017**. Should you have any queries, please feel free to contact the Class-teachers, Coordinator of the Integrated Education Committee, Ms Chan Wai Ni or the School Social Worker, Ms Chong Wing Sze at 26972179.

Yours faithfully
